ME AND MY ASS CAME TO PLAY TODAY

I've found that sex now is much better that I've brought ass-play into the sexual equation. As I got bolder, I was able to figure more things out, especially about sex. Now I'm more comfortable wth myself and sex is a more complete experience. It's soul, mind and every part of my body. And with a body like mine, who wouldn't want to have sex with me? Especially you guys who like anal as much as I do!

CALL FOR AN AURAL GOOD TIME 877-999-9928 MUST BE 18 TO CALL

Last week I turned 24 and also celebrated three years on my job. I work at a major metropolitan hospital in San Francisco and I'm always busy. As a prep nurse on a hospital surgical floor, I'm responsible to get patients ready for surgery, and it seems like someone's going under the knife every few minutes. My job is quite different depending on the operation the doctor's will be doing.

For example, if it's a man going under for a heart bypass, it means shaving his chest from just above his breasts to just below his groin. I give them a choice of a straight razor or a twin blade. Many ask what the difference is and I explain the straight razor is more "old school" so many older patients prefer it. I also think some like the look of a nurse holding that instrument. After they're shaved, I wash them and be sure they are as clean as possible. I'm look cute in my scrubs the whole nurse turn on may be even greater.

As a matter of fact, younger guys are often more embarrassed at getting their parts shaved than the older ones. Maybe it's the years that have made them more comfortable in this situation. I'm careful to try not to turn the patient on, but sometimes it's just unavoidable. Some men are just more sensitive in their lower regions than others. They'll react by starting to get hard. I try not to pay attention but if the guy is good looking and turns out to have a nice penis, I may take a bit longer to shave him. Maybe even lather him up a bit more.

Now, I have never done anything with any patient but have thought about it several times. Some guys have even asked me for a little more

attention, but I've always refused. Until a few months ago.

A nicely built thirty-something was in for groin surgery. Apparently he hurt himself playing basketball with some of his buddies. When I learned why he was in the hospital and I would be prepping him, I kinda got a bit more excited than normal. Surgery was scheduled for six in the morning and I got to the hospital at four. The patient, Matthew, was sleeping when I entered his room. I gently clanged the stainless bowl with the warm water as I pushed the cart near to his bed. He rustled a bit and half-opened his eyes. When he saw me, they opened even wider.

"Good morning." I whispered. "Are you ready for your surgery today?" He nodded sleepily as I told him I was the prep nurse and was there to shave him. He said okay quietly and rolled over on his back. I asked him to pull up the hospital gown up to his chest as I showed him that I was warming my hand and that the water was warm. He raised his arms and put both hands under his head, intertwining his fingers.

Without even asking, I opened the straight razor and squirted some shaving gel onto my hands working it into a small lather. I started just below his navel and rubbed the foam onto his belly watching the foam get bigger. Well as it turns out, it wasn't just the foam. His abdomen was not too hairy and the shaving went quickly. However, from his man-bush to his upper thighs he was a bit more hairy. I lathered him to where his penis meets the belly and shaved it down to there. He had held pretty still so far. Now it was time for the penis and the area around it.

I noticed that he had some hair on it which meant I had to shave the shaft, too.

I had done this a few times before and very slightly cut a patient there. He was gracious about it and said it probably wouldn't have happened if he was hard. I kept this in mind as I lathered him down there. As you might expect, he started getting harder from the half-hard stage he was at. I told him I had to shave some of his shaft and it worked better if he was harder. He looked at me, agreeing, and closed his eyes. I stroked the base and worked in the lather. His cock jerked a few times until it was rock hard and a good eight inches or more. Professionally speaking, of course.

I finished lathering to the sides of his penis and pushed it against his belly. I put the razor away and got the cordless hair clipper for his balls. He squirmed at my touching him there and said he wasn't expecting that. I told him that my orders were to clean shave him and that's what I had to do. He settled back and I started with the clipper under his penis. I gently held his hardon just below the head as I pulled the clipper down his shaft and over his balls. I did it slowly and carefully squeezing his cock a little as I finished.

I pulled the sac skin tight so there was less chance of cutting him. As I finished shaving his balls, my free hand took the liberty of giving a little squeeze as I finished each one. "Finished?" he asked. "Yes, Just have to wash you up." I said softly. Taking the washcloth, I dipped it into the warm clean water in the second bowl; wrung it out and start-

ING MYSELF
THAT IT WAS
JUST A JOB
AND I HAD TO
DO IT. THEN
I REALIZED I

ed to wipe the excess hair and foam off him. Taking it slowly, I stroked his still-hard cock under the cloth. I could tell he tightened his cock muscles as I squeezed it.

I put the cloth into the water to rinse it off, but continued stroking him with my free hand as if it was part of the job. A pat down of his balls let out a small noise and I apologized if I was too hard on them. He said no looking at his cock and pointed to a spot I had missed. I used my finger to wipe that last morsel of foam. I then pulled out a fragrance-free lotion and began rubbing it into the shaved areas.

Of course, I took some extra time on his cock and balls. He just laid there as I rubbed him harder and stroked him longer until I lost control and jerked him to a climax. His cum spewed down the shaft and over my fist still grasped around his cock. He did nothing to stop it himself and when I realized what I had done, I began to stammer and apologize, but he said it was nice and not to worry, just clean it up for him. I got the washcloth again and wiped it up. I hastily gathered myself and my stuff and left his room with a half hour to spare.

I went to the nurses' lounge and sat down contemplating what just happened. Later I learned that the surgery went well and no one was for the wiser. Until a couple of weeks later when the head floor nurse recounted a story of how a co-worker had gone to the hospital for surgery and the prep nurse masturbated him before surgery. He put two and two together, asking if it was me. I told him it was and that it was an "accident" just a slip or two of some extra strokes. Fortunately, the rest of the hospital never found out so my job is safe for now. I haven't done it again, but think often back to that morning and masturbate myself. When I meet my new man, I think I'll shave him and have him shave me. I bet the sex afterwards will be great! Don't you think?

I'M MAKING A BOOTY CALL FOR DICK

I love the feel of a hard cock in my mouth and in my pussy. I pick up the phone and call Dick to come and service me. I tell him my best orgasm is when my clit is played with. If I can get that much pleasure out of this little thing, I can just imagine the pleasure you guys must feel with your big hard dicks.

I'M HERE NOW SO LET'S GET THE PARTY STARTED

I'm the type that knows what I want sexually and I am not afraid to go after it. All week I work my butt off but when it comes to the weekend, it's my release, emotionally, and sometimes physically. And when I go out, I'm not looking to pick someone up, just party. I go out to socialize, drink, and to dance. Sometimes dancing provocatively gets me attention that I'm not really seeking. But I'll let myself go and see what happens. However, tonight I really felt like I needed a man. A good man. A really good man!

I was at the club's bar waiting to meet my friends. In the huge mirror behind the bar I could see the entire club, as well as myself. Here in Baltimore, it was late summer and the temperature was still relatively warm, so I dressed in a rather skimpy black vest top, which was very tight fitting, a short, tight leather skirt and heels. My vest showed my tanned boobs off to perfection. I hadn't always had great boobs, but I really blossomed at eighteen, and while they weren't large, they were very pert, topped with ultra sensitive nipples. I was known among my friends for having bullet like nipples, and now was no different. I was sans bra and my nipples were poking hard at the material. Sometimes, they were a pain in the ass, but on nights like tonight, they were a definitely a godsend.

Sitting there, I got a text message

from my friends saying they were running a little late. So I decided that I might as well make the most of it, so I ordered another glass of wine from the bartender. 'Fuck it!' I thought to myself. Let me see if I can get some action before my friends arrive. And when they do, they'll have to find their own, because I'm not in the mood to share.

I finished my drink, tipped the barkeep and decided to check out the club. I made my way to the dance floor and started to look around for a guy that I'd find attractive and unattached. Within a few minutes I saw a guy that fit the bill. In the dark club, he looked about 22 with a nice shirt, jeans, and nice-looking shoes.

Very important. As I made my way towards him, we made eye contact and I smiled at him. As he approached, we instinctively started to dance as we got closer and closer to each other.

When I dance with a guy, I want to know that inside his pants he's getting gradually harder and harder because of my actions and my fleeting touches. After about fif-

teen minutes of dancing with him, kissing and touching him on the dance floor, I whispered into his ear. "I'm going to fuck you, now. In the restroom."

Without giving him the option to answer, I grabbed his hands and started to pull him towards the ladies washroom. The ladies restrooms were generally not monitored. If there was to be trouble, it would come from the men's room. At first, he was a little worried about going in the ladies room, protesting that people would think he was a pervert, but after I asked him if he wanted to fuck me or not, he complied, holding my hand and slipping into the nearest free stall.

After a few minutes of sliding slowly up and down the length of his cock, I could tell by the increased rate of his breathing and the way his legs were starting to twitch that he was close...

Locking the door behind us, I told him to sit down and get his cock ready for a fucking. He did as I asked and pulled his jeans and boxers down around his ankles. I reached over and grabbed his semi-erect cock and stroked it to full hardness. I bent over and gave it a quick lick

ing up at him. I started to give him my patented blow job and I sensed he knew it. I licked and sucked all around his penis and dug my nails into his butt cheeks as I pulled his hips into me to swallow that entire cock of his. He closed his eyes and leaned back to just feel it.

my vest and my boobs bounced out of their constraints. My nipples were hard, and I knew if he sucked them, it would get me closer and closer to the edge. But rather than sucking my nipples, he just grabbed my tits and held them like he was riding a bike. It wasn't quite the same intensity, but it still felt good. After a few minutes of sliding slowly up and down the length of his cock, I could tell by the increased rate of his breathing and the way his legs were starting to twitch that he was close to cumming. I needed to get closer, so I jammed my body down and changed from my previous gentle motion to a harder, grinding forward and backward motion, making sure my clit was pressing hard against his pelvic bone.

But I still wasn't ready to cum, so I stood up and turned around to face the door and I bent over a bit to shove my butt in his face. I wiggled backwards until I felt his lips on my pussy. His hands came around and pulled me deeper into him. I felt his tongue lick my outer lips and push it's way into my sopping wet hole. I reached up to brace myself on the door and bent over more to give him better access to me. His hands moved around to my butt and he squeezed my butt cheeks sending me deeper into pleasure.

I felt his tongue slide up and lick my butthole, but I'm not ready for that with him, so I pulled myself

and straightened back up to slip out of my thong and stuff it in my bag. I lifted my skirt, gently rubbing my clit for a few seconds so he could see while I continued playing with his cock. Then I decided to get at it. His smile told me he was really enjoying himself in here.

I squatted in front of him, the leather squeaking against my moist skin. I licked my lips as he watched and I totally engulfed his cock in one motion. It disappeared entirely in my mouth, my lips closed around it and then I slowly backed off, eyes look-

I then pushed him down on the seat and straddled over him. First, I lifted my skirt and put my wet pussy near his face. He leaned forward as if to lick it but I sat down on his cock. By this time, I was dripping wet, and his cock slipped inside me with relative ease. I could feel his muscles twitch as he felt me tighten myself around him. As I lowered myself onto his lap, I put my hands on his shoulders and looked directly into his eyes. "You like this?" His answer was a long, low moan.

I undid the remaining buttons on

PAINTED INTO A LUSTY CORNER

forward, reached down between my legs, grabbed his cock and guided it into my pussy as I sat down on him, reverse cowgirl style. With hands on my hips, he pulled me down, too, and the final workout began.

I bounced up and down on his cock, shaking the toilet and stall. He struggled to stay on the seat, but still managed to grab my boobs from behind and pinch my hard nipples. This was now starting to really send me over the edge. And him too, apparently, as I felt him begin to tighten up, I reached under and grabbed his balls and spun them around in my clutch until he came inside me with a muffled scream. Although the feeling of his hot cream spurting inside me felt fantastic, it didn't quite push me over the edge. With his cock still in me, I quickly started to rub my clit while he watched in a daze. Within a few seconds, I felt the wave of an orgasm start to spread throughout my body. A sense of self satisfaction followed.

I finally stood up and grabbed some toilet paper to plug me up and keep his splooge from messing me up. I realized I didn't actually know his name but gave him a quick peck on the cheek, and following a quick clean-up, we opened the stall door and walked out of the restroom. My sense of pleasure was enhanced by the knowing glances and smiles I received from the other ladies in the restroom. Admittedly, we were so unaware of others being in the restroom, but they were all cool. We headed back into the club and settled again at the bar. I felt a small hand on my shoulder. It was my friends finally arriving – an hour too late. But I didn't mind. I had spent the hour the way I wanted. I didn't bother to introduce them and we danced, drank and talked. After a while, I told them I had to use the restroom. I looked over at him. I left first and a few minutes later he followed. Round 2.

-- MS. AWESOME

I was painting these rich people's indoor stairwell when the lady of the house walks slowly up the stairs past me without looking at me or saying a word and went into her bedroom without any attempt to close the door. She stood in front of the full length mirror and took off her dress. I couldn't help but watch and she must realize I was watching, no? She moved her hands behind her back and unclasped her bra letting it too fall to the floor. Her boobs were beautiful, yes! She ran her hands over them and squeezing them as if admiring how good they looked.

"Do you like them?" she asked suddenly turning towards me. I struggled to find any words and just managed to squeak a 'yes.' Her ass was really sexy too. She walked over to the bed and said, "Come here and lick me." she ordered. I put down my brush and entered the bedroom and saw she had laid back on the bed and spread her legs wide. I moved in between her legs and pushed my tongue into her deliciously wet pussy. She tasted real good. A moment later I could feel all the muscles in her pussy contracting as she came. I licked my lips to taste her cum and then got up, grabbed my brush and went back to work.

-- ONE LUCKY GUY

Ten years ago, when my mother told me about the birds and the bees, she never mentioned how much fun it would be, Like a party in your pants. Now that I'm in college, all the boys wanted to do me. I finally gave in to one of them and I've really enjoyed fucking. My pretty pussy's been adored by a few men and can't wait to have more invited in. No matter who parties in there, there's always room for another hard cock like yours.

The image features two women, Camilla and Raine, posing in a dramatic, gothic-style setting. They are standing in front of an ornate, dark metal gate with intricate scrollwork. The woman on the left is wearing a black latex strapless top and matching high-cut bottoms, paired with black thigh-high boots. The woman on the right is wearing a black latex top with white horizontal stripes and a matching skirt with a ruffled hem, also paired with black thigh-high boots. Both women have long, dark hair and are looking directly at the camera with intense expressions. The background is dimly lit, showing a wooden door and some architectural details.

OUR NEW HIRE WILL WAS
HAVING A BIRTHDAY PARTY
BUT HE DIDN'T KNOW THE SECRET.

BIRTHDAY BLOWOUT

WILL'S A VIRGIN? THAT WILL CHANGE TONIGHT, HOWEVER. WE WERE THERE TO HELP.

Last Thursday morning we were heading back home to Atlanta after a week long vacation. I had my co-worker, Hank, answer my cell phone since I was driving and it was another office mate, Carson. He asked how our trip was and we said it was over, laughing into the phone. He told us that our new hire, Will, just finished his first six months on the job after turning twenty-one a couple months ago. Carson suggested that we stop by his house and help celebrate Will's birthday with them. We liked the young guy, even if he is a little geeky and quite shy. So we told Carson we would be there in a while. He told us to hurry because he had quite an evening planned for Will. We pounded the gas pedal and pulled into Carson's driveway an hour later.

We went into his house and asked for a few minutes to clean up after our drive. Carson suggested we shower and so we dropped our stuff in his guest room and freshened up. His wife was away on business in Houston so it was just us boys. Carson ordered a pizza and we sat out back enjoying the pepperoni, sausage, black olives and beer. Will was on his over from a friend's house and would be a few minutes yet. We asked Carson what he had planned for Will and he told us he was going to get him laid. We all burst out laughing because Will was still a virgin and we expected him to be that way for a long time. Carson, on the other hand, wanted this newbie to get some pussy; we asked how.

Carson owns a restaurant/bar that caters more to bikers and city rednecks. There's sawdust on the floor, pool tables and cheap Tiffany-style lamps hanging from the black ceiling. Neon signs of sexy dancing girls are on all the walls, and the bathroom is unisex. The place starts hopping around midnight and can be quite a happening scene as the wee morning hours come and go. Cops have been called a few times, but all-in-all it's got a good reputation around town. Many a night college kids and even yuppies can be seen using their computers because it offers free Wi-Fi.

Will finally shows and sits to have a beer with us. It's now about 9 in the evening and Carson leaves to go to the bar telling us to come around 11 pm with Will. The two hours pass quickly and we drive down to the bar, Will knows there is a big surprise for him, but doesn't know what, and neither do we. Carson wouldn't tell us. Just that we had to be at the bar at 11 with the guy.

We were met at the door by Stacey, one of Carson's best, and horniest waitresses. She had a rocking body and nice boobs that

looked and felt natural (Carson says). Tonight Stacey had on a long blonde wig and she looked really sexy. Her real hair is black with some blue and purple streaks in it. I can appreciate her hotness and would tap it myself given the opportunity. But tonight was for Will and Stacey took us to the small back dining room. She took Will's hand and pulled him along. Jerry and I followed right behind looking at Stacey's short skirt, long legs and bare midsection.

We go into the room and a midnight snack with tons of beer is laid out in front of about six of Will's and Carson's friends. It's all men and a couple more waitresses from the bar area to spice up the room. About one in the morning the food was cleared away and a couple of the girls got up on the table to dance. They gyrated seductively and on cue reached down and pulled Will up onto the table. They sandwiched him amid the howls and wolf whistles of the small crowd.

The two girls groped him, one from the front and one from behind. The front girl squatted in front of him and played with his belt and zipper but didn't do anything. The girl in back grabbed his butt cheeks and reached around him unbuttoning a couple buttons on his shirt. The music stopped and the girls stopped and looked at the doorway. Standing there, backlit by the light behind her, was Stacey wearing a long coat that she twirled and flaunted, and started to dance around the room. We caught glimpses of her high heels and see-thru top. She spun around the room and found Will and started to dance seductively in front of him.

He's very shy and didn't want to look but couldn't help himself. Then the two girls jumped off the table, they took off Stacey's coat and left the room, closing the door behind them. Now it's only Stacey and six

of us guys, and Will. Stacee jumps up on the table and starts to dance. She's in her blonde wig wearing a black, see-through fishnet top, black lace panties, and see-through pumps with four inch heels. She was a sight to see, and everyone was looking.

Suddenly Carson jumps up on the table, pulls her to him and they gyrate together. Then Carson's friend David goes up and they sandwich her. Two other guys then jump up and Stacee disappears from view for a few seconds. When they back away her top and panties have disappeared and her beautiful breasts and completely shaved pussy are lit by the overheads. The guys get off the table and push Will up onto it. He pushes back but the four of them succeed in getting him up where Stacee pulls him in front of her and begins to dance and swivel her hips seductively.

He's now staring at her beautiful naked body right in front of him as she finishes unbuttoning his shirt and undoes his belt, zipper and pulls his pants down leaving him in his underwear. She goes behind him and begins rubbing her breasts on his bare back, reaching around and slipping her hands into

Will's underwear grabbing his cock. He stops her hand but she insists and he relents, letting her stroke him under the boxers. He was down to just civvies and did not know what to do next so someone shouted for Will to lay on the table and told Stacee to get on top like a dog.

Will lay there in fear and Stacee wiggled her ass in the air and her breasts were falling in front of Will's face. As Stacee started to kiss Will, one of the guys started to fondle her ass and moved his hand to her pussy. The music was loud and everyone was cheering. Then Stacee stopped kissing Will who escaped from underneath and disappeared off the table. That was the cue for others to jump up and next thing you know, there are four guys all around her, pulling their cocks out and waving them in front of her.

Without missing a beat she grabs a couple cocks and stuffs one in her mouth. Carson

now wriggles his way under her and takes up where Will abandoned her, sucking on her hanging breasts.

I couldn't believe my eyes at the scene in front of me and while I was getting a stiffie and wanted to join in, I just couldn't. I turned to Hank who gave me a huge grin and two big thumbs up. So we settled back and watched Stacee do her thing. She got on her knees and moved up on Carson positioning her pussy right over his mouth. She was sucking two dicks at once and sitting on Carson's face.

I glanced around and saw Will sitting in a dark corner jerking off. Hank and I went over and told him it would be better if he let Stacee do it. He shook his head but we grabbed him under each arm and pulled him to the table. I motioned to the two guys in front of Stacee to go to the back and pushed Will up onto the table in front of her. This time Stacee did not mess around in getting the boy ready.

Carson got out from under her and off the table. Stacee stripped Will of whatever he still had on and pulled his semi-hard dick over to her mouth and shoved it all in. Will was aghast but let her do it as she sucked him hard and stroked him to harder. As she sucked him, her hands slide up his chest and pinched his nipples.

Now Will felt emboldened and takes one of her hands and puts it on his balls. She looks up at him, cock in mouth and wrenches a smile out. She replaces her hand with her mouth, sucking on his balls while still stroking his cock. Suddenly Will grabs her by the hair and pulls her mouth off his balls and shoves his cock back into it. A few quick strokes and he shoots his load inside her mouth but there is so much it that it cums out the sides.

We all laugh and applaud as Stacee swallows his virgin load. She lays back on the table and the rest of the guys jerk off onto her chest. Hank and I gather up Will and his clothes and drive him home. In the morning, we leave early for Atlanta with the previous evening's festivities fresh in our minds. The cell phone rings as we hit I-20 and it's Carson. Hank and I look at each other.

We don't answer.

More than anything,
I wanted to be a porn
star. While that may not
be what most younger
women aspire to, after I
got out of college, it was
what I wanted to do. And I
did it. And I still love it!

It was hard to admit to
myself that I got better at
it because when you are
younger, you think you're
the bomb. Everyone tells
you so and you believe
them. Now, however, I
can measure things much
better and I know I'm a
better fuck. Just watch
me in my super hot video.
It will make your dick a
good bit harder!

I was born blessed with large perfect breasts, but it wasn't until I was about twenty that I really began to appreciate them. Before that I would dress in loose floppy clothes to try and hide or minimize their size. The girls would tease me and the guys would use crude terms for them. But now, it's all a different story. I've learned to accept them – and use them.
